

## 2025 IET International Conference on Engineering Technologies and Applications, 24-26 October, Taoyuan, Taiwan

The IET Taipei Local Network advances research and innovation in engineering and science. Since its inception, it has organized the IET International Conference on Engineering Technologies and Applications (ICETA) as an annual platform for knowledge exchange. ICETA 2025, building on past successes, will explore “Empowering Tomorrow: Generative AI for a Sustainable Future.” Conference website: <https://iceta2025.ntub.edu.tw>
