

**2025 National Taiwan
Normal University
Seventh Annual Startup Arena

Competition Guidelines**

March 1, 2025

1 、 Main Goal of the Event

This competition aims to cultivate students' abilities to start their own businesses and encourage them to come up with business plans as a team, to learn across disciplines and utilize their talents, applying their knowledge and theories on executing startups creatively. With consultations from expert instructors in industries and judges, the event hopes that all contestants will gain fruitful knowledge of entrepreneurship.

2 、 Organizers

Supervisors: Ministry of Education

Organizers: Innovation and Incubation Center, National Taiwan Normal University Department of Technology and Engineering Master Startup Program

3 、 Schedule and Items

Stage	Dates	Notice

Details of the event (time, venue, and such) will be announced later.</p> <p>※ The organizers reserve the right to make changes to online or physical venues.</p>
--------------------------	-----------------	--

4 、 Eligibility

1. Competing teams should include 2 to 5 people; current students in universities and colleges (including undergraduate and postgraduate students), and graduated students from the last 2 academic years (the current year and the year before, ie. 2024 and 2025) are eligible to form teams and sign up regardless of departments, years, and disciplines. Each person can only join 1 team. Over one half of the team members must be enrolled students.
2. Each team must appoint a representative as the competition liaison.
3. An advisor is not a requirement for registration. Each team can only have one advisor, who will not be counted as a team member.
4. Teams that have already been registered as businesses (including companies and preparatory offices) cannot join this competition.

5 、 Categories

1. This competition has two team categories: international teams and domestic teams. Teams can sign up for the competition regardless of industry or discipline types.
2. The teams that sign up for the international category must provide English electronic versions of sign-up forms and presentation and present entirely in English during the finals. Domestic students can also sign up for the internal group.

6 、 Participation Regulations

1. Competition Rules: This event will be conducted in two stages, divided into the first stage of **preliminary examination** (document examination) and the second stage of the **final round** (business operation plan, oral presentation, and questions from the judges); those

who pass the first stage can proceed to the finals.

2. First round registration:

- (1) Participating teams are required to register online and upload relevant attachments, including the competition registration form (Attachment 1), team basic information (Attachment 2), personal data consent form (Attachment 3), team commitment letter (Attachment 4), authorization consent form (Attachment 5), and first stage startup proposal (Attachment 6). After confirming the accuracy of the information, please upload the files before 2025/5/26 5:00 PM (Mon) at <https://forms.gle/LKTDC6XdSbBAuWzg8>. Late submissions will not be accepted. Attachments 1 to 5 should be combined into a single file named “7th_Startup_Arena_Registration Info_Team_Name”, and Attachment 6 should be named “7th_Startup_Arena_First Round Proposal_Team_Name.”
- (2) The list of finalists will be posted on 2025/6/2 (Mon) on the website of the Innovation and Incubation Center (<http://www.acad.ntnu.edu.tw/6news/news.php?class=1101&class2=160>) and via emails.

3. Second Stage Finals:

- (1) Industry instructor consultation: The finalist teams can apply to the Incubation Center for industry instructors to consult about finals presentations; teams can also work on their business plans without consultation.
- (2) Finalist information submission deadline: The finalist teams should send the electronic copy of oral presentation (up to twenty pages) to the designated link before 2025/6/13 12:00 PM, titled “Seventh_Startup_Arena_Finalist Info_Team_Name”.
- (3) Team members should bring their identification (student ID/enrollment letter/certificate of graduation) for organizers’ examination.
- (4) Two or more team members must participate on the day of the finals.

7、 Selection Process

1. Preliminary selection:

The selection will be based on submitted documents; the judges will be composed of industry experts and scholars; ten to twenty teams will be chosen for the finals.

Criteria	Items	Percentage
Innovation	clear and creative ideals	20%
Market Analysis	market analysis and demand suitability	30%
Business Strategy	marketing strategy, operation modes, market potential	30%
Completion	completion and clarity of the business plan	20%

2. Finalist Selection :

Judges will be composed of industry and academic experts invited by the organizers, and the finals will take place on 2025/6/19 (Thu) in the form of oral presentation and questions from the judges.

Criteria	Items	Percentage
Innovation	creative values	15%
Market Potential	marketing strategy, estimated value, development potential	30%
Mode of Operation	finance and resources analysis; risk management	20%
Presentation	PowerPoint design, oral expression, Q&A response	20%
Team Composition	operation goals, startup execution, team cooperation	15%

8 、 Awards

The results of the finals will be ranked according to the total scores. The organizers reserve the right to award vacancy. The organizers reserve the right to not to award a category.

Category	Awards
Domestic Group	1st Place: NT30,000, Certificate of Excellence 2nd Place: NT20,000, Certificate of Excellence 3rd Place: NT10,000, Certificate of Excellence Merit Award: Certificate of Excellence
International Group	1st Place: NT60,000, Certificate of Excellence 2nd Place: NT40,000, Certificate of Excellence 3rd Place: NT30,000, Certificate of Excellence Merit Award: Certificate of Excellence

9 、 Notice

The competing teams must read the following items carefully; if there are any related arguments in the future, the teams should take full responsibility. The organizers reserve the right to revoke teams' participating and awards eligibility; if the awards have been claimed, the organizers have the rights to reclaim the awards without disputes.

1. In the event of any illegal actions, such as plagiarizing, ghostwriting, or infringement of intellectual properties, if proven true, the organizers have the rights to revoke team's rights to participate and awards, and the team should face the legal consequences.
2. Participating teams should respect all decisions made by the judges.
3. The intellectual property rights of the data belong to the participating teams, but the teams should authorize the university, without compensation, to use the data for promotion, recording, and exhibition.
4. Participating teams should guarantee the accuracy of the data submitted; if the data provided are incorrect, or if the delayed submission of the data affects the team members, the team should take full responsibility; the organizers will not return the submitted data.
5. Team members cannot be changed after the registration.
6. After completing registration, the teams acknowledge that they accept and are willing to follow all regulations of the organizers; if there are any infractions, the organizers have the rights to revoke the team's eligibility.

7. Based on Article 2, Item 1, Section 7 of the Ministry of Economic Affairs' Standards of Withholding Rates for Various Incomes, "Awards in competition are categorized as Income from Contests and Games, and the withholding rates should be ten percent of the entire paid amount; if the taxpayer is not a ROC citizen, the withholding rate should be twenty percent."
8. If anything is unclear in the process of the competition, the organizers reserve the right to interpret, edit, and terminate the regulations.

Seventh Annual Startup Arena Personal Data Consent

Form (Team member)

To organize the Seventh Annual Startup Arena, the NTNU Incubation and Innovation Center (the Center) informs you of the following according to the Personal Data Protection Act:

1. Purpose of personal data collection and categories:
 - (1) Purpose: Personal data will be used for competition management, identity verification, team communication, follow-up consultation, statistics calculation, surveys, competition closing operation, and other related work.
 - (2) Types of personal data: Name, date of birth, telephone number, university/department, ID card number, email, and other identification that can directly or indirectly identify the individual.
2. Period, location, subject, and method of personal data usage:
 - (1) Period: From the start of collection to within five years after the end of the competition, or until the purpose of collection disappears or when the deadline expires.
 - (2) Location: Within the borders of the Republic of China.
 - (3) Subject: Organizers and related collaborating departments.
 - (4) Methods: Processed and used through electronic or physical means.
3. Your rights and means to exercise them:

Contestants can follow the Personal Data Protection Act and request the following:

 - (1) Look up or view data.
 - (2) Make copies of data.
 - (3) Add or correct data.
 - (4) Stop the collection, process, or use of the data.
 - (5) Delete data.
4. Contestants can choose whether to provide personal data. If contestants refuse to provide their data, they will not be able to complete registration or any follow-up services.
5. Competition promotion related rights:
 - (1) Due to promotional needs, the organizers have the right to photograph, report, comment and post the selected works in the competitions.
 - (2) The undersigned agrees to allowing the Center to photograph and record the participants' portraits, images, and voices, and authorizes the Center

and its authorized third parties, in nonprofit circumstances, to use, edit, reproduce, and publicly transmit related video files in different methods (including but not limited to printed media, webpages, and social medias) for activity record, result presentation, and promotion. If you do not consent to your information being used publicly, please contact the Center through paper documents or email during registration or before the competition; the Center will take appropriate measures.

If there are any unspecified parts in this consent form, please refer to the Personal Data Protection Act and related regulations.

☐ I have read this consent form and I understand and agree to its content.
